Annual trusted flagger report

RettighedsAlliancen

2025

Name of organization	RettighedsAlliancen
Address	Vesterbrogade 15, 1. floor, 1620 Copenhagen V, Denmark
Company Registration Number	363 287 97
Reporting period	13 August 2025 – 31 December 2025

1. Reporting period

RettighedsAlliancen was awarded trusted flagger status within the intellectual property infringements area of expertise on 14 August 2024. We published our first annual report on 12 August 2025[1], covering the notices we submitted as trusted flaggers to providers of online platforms in accordance with Article 16 of Regulation (EU) 2022/2065 (hereafter "DSA") during our first year as appointed trusted flaggers.

On 29 May 2026, the European Commission published draft guidelines on trusted flaggers. In para 94. the Commission considers that trusted flaggers should use the template in Annex II to the guidelines to meet their reporting obligations under Article 22(3) of the DSA. In para 95. the Commission considers that trusted flaggers should publish and send reports to the awarding DSC for each calendar year by 28 February the following calendar year.

RettighedsAlliancen would like to follow the draft guidelines, but our previous cadency of publishing annual reports in August has created the need for a special reporting covering the period from our last report to the end of the calendar year 2025. This allows us to publish reports covering calendar years in accordance with the draft guidelines from 2026 and forward.

This special reporting period has been agreed to by the Danish DSC Digitaliseringsstyrelsen (Danish Agency for Digital Government) and the European Commission.

2. Detailed report on notices submitted

Below is a detailed report of our notices submitted as trusted flaggers in accordance with the notice and action mechanism put in place under Article 16 of the DSA.

We have used the template provided by the Commission in Annex II to the draft guidelines.
